

Discharge Planning Quick Reference

Fast facts for busy discharge teams. When housing is the barrier to discharge, we're here to help.

What We Do

Safe, furnished shared housing for independent adults age 50+ who are **medically stable and cleared for discharge**. Month-to-month, all-inclusive, reduced screening barriers.

Quick Criteria Check ✓

- Age 50 or older
- Medically stable (cleared for discharge, no daily nursing needs)
- Independent in daily activities (bathing, dressing, toileting, mobility)
- Self-manages medications (no reminders or assistance needed)
- Stable monthly income (SSDI, SSI, Social Security, pension, VA, employment)

Red Flags (Not a Fit) ✗

- Requires nursing care, daily medical monitoring, or clinical supervision
- Needs help with bathing, dressing, toileting, or mobility
- Cannot manage medications independently
- Active substance withdrawal or detox needs
- Requires behavioral health stabilization or safety supervision
